# REASONS WHY YOU SHOULD HAVE HIGHER AUTO INSURANCE COVERAGE

Did you know that you could be at risk if you only carry standard liability and collision coverage on your auto policy? Low coverage limits could leave you financially vulnerable after an accident.

## Why Minimum Coverage Falls Short

**Liability Risks** – If you're at fault in an accident, basic liability insurance may not cover medical bills or property damage. Serious injuries can cost thousands of dollars, leaving you personally responsible for the expenses.

**Collision Coverage Gaps** – Low collision coverage may not fully pay for vehicle repairs or replacement, especially for newer models. If damages exceed your policy's limit, you'll have to cover the rest out of pocket.

## The Benefits of Higher Coverage

**Comprehensive Protection** – Higher coverage helps with damages like theft, vandalism, or natural disasters.

**Financial Security** – Investing in better coverage prevents costly surprises and rising repair expenses. Some plans even include roadside assistance and rental car coverage.

## The Myth of Expensive Insurance

Many believe higher coverage is too costly, but the extra investment is minor compared to the financial burden of an accident. Choosing better coverage ensures peace of mind and long-term financial stability.

Accidents happen—protect yourself before they do.

A trip to Cheyenne, WY for her son's basketball game turned into a nightmare for this client. While attempting to get lunch after the game at national chain restaurant in Cheyenne, our client tripped and fell on a dilapidated sidewalk outside the establishment. She injured her shoulder and back and went through years of conservative medical treatment. Shortly before the expiration of the Statute of Limitations, she turned to VanMeveren Law Group for help. VanMeveren Law Group successfully resolved her case for \$200,000.00 within the Statute timeframe, affording her a substantial financial recovery, allowing her to avoid impending

# TESTIMONIAL

*See what our clients have to say!*

"I can't say enough about Catherine, Jenn, and Gabi. They are exactly who I needed to protect me. The insurance companies weren't cooperating, but everyone at VanMeveren Law Group was there to help look out for me every step of the way. They were tough with the insurance company, but unbelievably sweet and kind to me. Catherine kept me informed with everything that transpired and was always asking how I was doing. I'd recommend VanMeveren, Catherine, Jenn, and Gabi to anyone!"
