SEPTEMBER 2025

MYCYCLE FORT COLLINS

This September, VanMeveren Law Group is proud to once again sponsor and volunteer at **MyCycle Fort Collins**, a custom Bike/Build/Give event powered by Bike Fort Collins. Our team will head to Irish Elementary to help assemble bikes and guide second graders as they experience the joy of riding for the very first time. MyCycle's mission is to provide a **free bike and helmet to every second grader in need** at Poudre School District's Title 1 schools—a cause that directly supports children in our community. We're honored to play a part in this initiative each year,

reflecting our commitment to building a safer, healthier, and more connected Fort Collins. To donate or volunteer for this important cause, visit:

- The VanMeveren Law Group Team

Our client, a transcendent athlete, coach of Olympians and successful podcaster with thousands of followers, is a prominent figure and voice in the running and cycling community. While training for a cycling event in Boulder, Colorado, he was involved in a crash with a negligent driver that left him with gruesome and devastating injuries. He was unable to train, run his business outlets and struggled at home as a father of two young boys for a significant amount of time. He worked hard in his recovery to

regain his prior level of function and professional success, but received an insulting settlement offer from his own insurance company. He chose VanMeveren Law Group for representation. After several months of hard work and dedication to our client, we successfully resolved his claims for **5x the insurance company's original offer**. Our client went on to set records in future races and continues to tell his story through his various media platforms in order to help others within his community.

TESTIMONIAL

See what our clients have to say!

"I was hit by a car on my bike in 2024. I quickly found myself with post-concussion issues that raised concerns of getting my life "back to normal" asap. The team of Karl and Jenn at the VanMeveren Law Group quickly came in and off loaded my burden of managing the insurance claims between my own insurance and the 'other party.' As I reflect, what stood out most with Karl and Jenn was their focus and guidance on my physical and mental health, reassurance that 'it will get better,' and don't worry about insurance, 'we have that covered.' Karl was/is an outstanding partner in my ordeal and provided regular updates, expert advice, friendly suggestions and a very well executed outcome. I highly recommend and cannot thank this team enough. Bravo!"

ADOPTABLE PET OF THE MONTH

Rudy

VanMeveren Law Group is a proud supporter of Animal Friends Alliance. Learn more about how you can adopt, foster or get involved at savinganimalstoday.org or call the AFA Taft Hill Shelter at (970)-484-8516

Meet Rudy, the best sidekick you could ask for. The kind, goofy guy who loves to feel included - even if it just means getting to sit in the same room as you! Rudy is ready for adventures with his favorite people where he can experience some quiet moments of solitude out in nature. Our shelter's dog walking volunteers think he's the perfect outdoor companion saying that "he leaps right into my car and settles in happily, looking out the windows and catching some fresh air." If you're looking for a smart, affectionate, and easygoing dog who will be your hiking buddy, car ride co-pilot, and best friend — Rudy truly is your guy.
