JULY 2026

CELEBRATING COMMUNITY AT THE FIREKRACKER 5K

There's no better way to kick off the Fourth of July in Fort Collins than at the FireKracker 5K. VanMeveren Law Group is proud to be an Elite Sponsor of this longtime community tradition that brings together runners, walkers, families, and neighbors for a morning of fun, fitness, and celebration.

As a local firm, we love supporting events that make Northern Colorado such a special place to live. The FireKracker 5K not only creates an opportunity for our community to come together, but also helps fund local youth running programs through the Fort Collins Running Club.

Whether you're chasing a new personal record, enjoying a walk with family, or simply soaking in the festive atmosphere, we hope you'll join us in City Park on July 4th. Be sure to say hello to the VanMeveren Law Group team. We're excited to celebrate with you and help make this year's event another memorable one.

CASE SUCCESS STORY

Our client, a diabetic below-knee amputee, was driving home from work just days before Christmas when a negligent driver ran a stop sign and caused a

high-speed, t-bone crash. Our client sustained severe injuries, including multiple fractures and internal organ damage. His injuries were complicated by his previous amputation and diabetes, requiring prolonged hospitalization and in-patient rehabilitation through the holidays. The at-fault driver's insurance company initially disclosed a limited policy and attempted to resolve the claim quickly before our client was fully recovered. VanMeveren Law Group stepped in and uncovered an additional insurance policy for the at-fault driver, as well as underinsured motorist coverage through our client's own policy. In addition to securing the maximum amount of coverage available through these policies for our client, VanMeveren Law Group also successfully negotiated our client's health insurance reimbursement obligation and helped him obtain additional compensation through accident policies he held with his employer. Because of VanMeveren Law Group's efforts and expertise, our client now has the ability to live his life with financial peace of mind for himself and his family.

INDEPENDENCE DAY SAFETY

At Home

Adhere to local firework regulations, and practice safe handling if you use items like sparklers.

Children should not use sparklers, as they run at about 2,000 degrees Fahrenheit.

If you are hosting, encourage ride-sharing in advance, offer nonalcoholic drinks, and cut off drinks well before the party ends.

On the Road

Holiday travel often brings heavier traffic, more pedestrians, and more drivers who may be distracted or impaired.

Keep your focus on the road, and do not drive if you have been drinking.

On Water

U.S. Coast Guard statistics show that 76% of boating fatalities in 2024 were caused by drowning, and 87% of those who drowned in 2024 were not wearing a life jacket.

If you will be boating, wear a properly fitted life jacket and ensure others in your party do as well.

On the boat, keep a charged phone and a basic first-aid kit nearby for emergencies, and avoid drinking in excess.

We want to share a few key safety reminders for the July 4th weekend.
We wish each of you a safe and happy Independence Day!

TESTIMONIAL

See what our clients have to say!

"Katherine and Amy were flawless! This was my first experience needing a lawyer and they were incredible. Very professional and caring. They got me what I needed to be whole again after my accident and I hardly had to do a thing. I have

already recommended them to another person who is just as satisfied as I am!
Thank you ladies so much for all you did, and do!"
