OCTOBER 2026

**VANMEVEREN LAW GROUP IN THE COMMUNITY**

This September, our team spent a memorable afternoon building, fitting, and delivering more than 30 brand-new bikes to the second-grade students at Irish Elementary. We're grateful for the opportunity to give back, support local families, and help get these kids rolling into a great school year!

Across two days, 170 volunteers came together to provide 255 second graders at six Poudre School District Title 1 schools with a brand-new bike and helmet. It was a wonderful reminder of what our community can accomplish when we come together.

A new bike offers more than a way to get around, it opens the door to adventure, independence, and confidence. As a team that cares deeply about cycling and our local community, we're proud to sponsor and volunteer at this event each year. Thank you to the organizers, fellow sponsors, and volunteers who helped make this year's event such a success!

## TESTIMONIAL

*See what our clients have to say!*

"Karl is truly one of a kind. He and his entire team genuinely care about their clients, and I could not have asked for better representation. From the very beginning, it felt like Karl truly cared about me and my situation—not just as a client, but as a person. His communication was absolutely top-notch. Every question I had, Karl either answered himself or took the time to find the answer for me. He always kept me informed and made sure I understood what was going on every step of the way. That level of personal attention, communication, and genuine care made a stressful situation so much easier. I'm incredibly grateful for everything Karl and his team did for me. I highly recommend Karl to anyone looking for an attorney who truly cares about his clients and goes above and beyond for them."
